

Art Adventures for Kids

Art Adventures are suitable for kids aged 6 and up.

CREATIVE CORNER

SUNDAYS, April 23-May 7
Time: 10:00am - 12:00pm
\$30 each / \$75 for all 3
Materials included

Pop Goes the Weasel!

SUNDAY, April 23
Instructor: Denise Corcoran

It is Earth Day, so grab your recycling and get creative! We'll reuse pop bottles and other plastic containers to make fun little friends.

Brilliant Beads

SUNDAY, April 30
Instructor: Bayoush Mengesha

This fun and imaginative class is the perfect introduction to the world of jewellery making. Learn how to do a peyote stitch pattern, flower motif and much more using pony beads.

Restructured Reading

SUNDAY, May 7
Instructor: Jeri Sue Engen

Ready to have fun upcycling books that are past their prime? With the simplest of supplies you will become a sculptor, folding your way to your own bestseller. Add a little imagination and the sky's the limit of what you can do with an old book.

MOM & ME - SILK SCARVES

SATURDAY, May 13
Time: 10:00am - 12:00pm
Instructor: Jeri Sue Engen
\$60 for Mom + 1 child
\$15 additional child
Materials included

You and your mom can create the most wonderful Mother's Day gift together – memories – and you'll have a silk scarf to take home too! Work together on painting a scarf in your shared design. Jeri will guide you through the steps of creating a beautiful, wearable keepsake. *Each family will create one scarf. Maximum 2 children per adult.*

DAD & ME - TIN CAN ROBOTS

SUNDAY, June 18
Time: 10:00am - 12:00pm
Instructor: Denise Corcoran
\$45 for Dad + 1 child
\$15 additional child
Most materials included

You and your dad can be Crazy Creators as you turn everyday items from the recycling box into curious creatures. Make quirky tin can robots with different personalities – let your imagination and ingenuity run wild! This is the perfect Father's Day gift – fun, creative time together! *Maximum 2 children per adult.*

Creative Classes

These classes are suitable for adults and youth.

INTRODUCTION TO ACRYLICS

WEDNESDAYS, April 5-26
Time: 7:00 - 9:00pm
Instructor: Jeff Wilson
\$95 for 4 classes
Materials not included

The course will examine the characteristics of acrylic paints as a medium, basic colour theory, colour mixing, composition layering and brushwork. It is a hands-on course, combining demonstration and guided hands-on painting.

LIFE DRAWING

TUESDAYS
April 18 - May 9 (4 weeks)
May 23 - June 13 (4 weeks)
Time: 7:00 - 9:30pm
Non-instructional
\$50 per 4-week session
\$15 drop-in fee

Hone your figure drawing skills in this creative environment with a different live model each week. Our facilitator, artist Dominic Howell, will be present each week to assist the model and take your suggestions. The third class of each session will feature a clothed model, so participants can focus on portraits and clothing. Refreshments will be available during the break (tea & coffee). Drawing donkeys and easels are available on site, but please bring the drawing materials of your choice.

Inspirational Intensives

The intensives are suitable for adults and youth of all skill levels, including absolute beginners.

LINOCUT PRINTS

SATURDAY, April 8
Time: 10:00am - 4:00pm
Instructor: Cath Hughes
\$110 – materials included

Create and print your own designs using linocut, a relief printmaking method. You will learn how to make a single image, a repeated pattern, and multi-coloured prints using a reduction method.

WOODWORKING WORKSHOP

SATURDAY, April 29
Time: 9:00am - 4:00pm
Instructors: Suzanne Erickson,
James Harry & Brian Ballard
\$140 – materials included

Discover the wonders of wood as you carve, engrave and saw it in this hands-on workshop. James, Suzanne, and Brian will share a variety of small projects and techniques, including hand carving, pyrography, and working with a scroll saw.

Presented in partnership with 

WATERCOLOUR BLOSSOMS

SATURDAY, June 3
Time: 9:00am - 4:00pm
Instructors: Frank Townsley
\$75 – materials included

This workshop is specifically aimed at the stunning pink cherry blossoms that adorn our beautiful city. Frank will teach us how to add texture to petals and leaves, and details to the flowers. In addition, we will learn how to paint a soft background in colours related to the blossoms, adapting the photograph to make the image more appealing.

THREAD DRAWING

SATURDAY, June 10
Time: 9:30am - 2:00pm
Instructor: Amanda Wood
\$95 – materials included

Discover mark making and the process of art-making through stitching. We will begin by making collages that explore the principles of design. Next we will apply pigment colour to cloth, using untraditional techniques, like scraping. We'll then learn embroidery stitches and create hand-stitched thread drawings inspired by our collages.

Artelier

These classes are geared towards youth 11 and up, but are open to youth and adults alike. Artelier is suited for all skill levels and is perfect for portfolio building.

FUNDAMENTALS OF DRAWING

THURSDAYS, March 30-May 25
Time: 6:30 - 8:30pm
Instructor: Anita Clipston
\$120 per 4 week session
Materials included

Facial Features

March 30-April 20 - **SOLD OUT**

Discover how to bring your portraits to life. We will work from photos and each other, learning to form individual facial features and hair.

The Human Figure

May 4-25

Gain confidence in drawing human figures from pictures and live models. We will learn how to measure for anatomical proportions, identify light and shadow, and develop expressive line quality.

Casual Friday Nights

Join us for a fun, casual Friday night art class! Bring your friends for two hours of creativity and socializing. Suitable for all skill levels.

Time: 7:00 - 9:00pm
\$35 each – materials included

BRANCHING OUT

FRIDAY, April 21
Instructor: Frank Townsley

Learn how to paint different types of trees in watercolour. As we paint, we will explore the difference between birch trees and evergreen trees in different scales, arranging branches and leaves for aesthetic appeal.

ZANY ZINES

FRIDAY, May 19
Instructor: Siobhan Smith

Learn about making a small-circulation (maga)zine, as we fold and draw our own creations. We'll touch on different ways to produce limited runs of art books and ways to cheaply mass produce zines. Whether you are looking for a way to spread your message to the masses or just want to make a book of simple doodles, this class is a fun introduction for anyone.

WATERCOLOUR MANDALAS

FRIDAY, June 16
Instructor: Sandrine Pelissier

Learn how fun and simple it is to make your own mandala and then watch them come to life with watercolor pencils. We will work on small postcard sized designs and you will get the opportunity to experiment the relaxing effect of designing your own patterns.
