

JOB POSTING:
Cultural Mapping Assistant (Summer Position)

North Van Arts is a grassroots, social-profit, charitable cultural organization dedicated to maximizing the intrinsic value of the arts in all media. Our mandate is to enable emerging and professional artists in all disciplines, to bridge cultures, and to build strong and healthy communities through the arts. We are a vibrant and dynamic organization of over 500 members with a proud history of serving the citizens of the North Shore and artists from throughout Metro Vancouver and beyond.

The Cultural Mapping Assistant will assist in data collection, organization, and content development for a regional cultural mapping project led by North Van Arts. Part of the Project Team and North Van Arts team, this position will report directly to the Project Managers for the North Shore Cultural Mapping Project. The goal of the project is to build an accessible public resource of cultural assets including all three North Shore communities (DNV, CNV, and DWV) and two First Nations (Squamish, Tsleil-Waututh). Information about the cultural assets within the three municipalities and two First Nations will be compiled into a free, online, GIS driven, interactive mapping tool that will become a hub for North Shore culture and available to everyone. This tool is intended for residents, tourists, planners, and the cultural sector, and will help build audiences, drive tourism, fill gaps, and encourage partnerships to better highlight our rich cultural diversity. To be accessible to a broad audience, the GIS-based map will be embedded in a responsively designed web hub tool, designed for the North Shore Culture Map (working title).

RESPONSIBILITIES:

- Identify local cultural assets based on criteria established for project;
- Collect information about cultural assets;
- Add asset data to existing inventory, both in Excel database and in GIS application through field collection and survey work;;
