This inclusive event is fun for artists and purchasers, and it assists North Van Arts in funding many valuable programmes, including free community events, art classes and youth programmes. It also enables the community to support emerging artists and provides an opportunity to purchase an established artist's work at a great price.

Each piece is priced at \$100. Sales are divided 50/50 between the artist and North Van Arts. Hundreds of original works created in diverse style, subject matter and mediums will be on display by hundreds of artists. The artist remains anonymous until after the purchase.
