Where We Are

Arts in the Garden takes place on the traditional, ancestral and unceded lands of the Skwxwú7mesh (Squamish) and səilwəta4 (Tsleil-Waututh) peoples, who have been sovereign caretakers of these lands since time immemorial. As we engage with, celebrate, and learn from the diversity of nature and the land this weekend, we invite you to reflect on your own relationships and responsibilities to this place.
