NORTH VAN ARTS

Message from Anna Lynch, Executive Director

Over the past year, North Van Arts has remained resilient and resourceful, creating new opportunities for artists, and new community partnerships that will ensure our continued growth in the year ahead.

Last October, we welcomed North Vancouver City Hall and Bravo Art Services, as new host venues at the North Shore Art Crawl, which supported many new artists in participating.

In April, we participated in the Capture Photography Festival for the first time, with *Experiments in Photography: Image & Object* at CityScape Gallery. Curated by our Exhibition Manager Avery Hannig, this unique exhibition attracted new audiences and sparked a new collaborative partnership with Capture that we look forward to bringing to life in the coming year.

Most notably, in June with the support of Lakes, Whyte LLP and Vancouver's North Shore Tourism, we launched our new performing arts festival, Trolley Days: Heritage in Motion. This weekend long event celebrated the rich and diverse heritage of the North Shore with multicultural dance, music, and theatre. Alongside the performances our Heritage-style trolley bus tours were a popular attraction, bringing in a crowd despite heavy rain. Our team is excited for the return of the festival in 2027.

None of this would have been possible without the continued work of our small but mighty team of staff and volunteers, and our valued members and artists who continue to work hard to make art an integral part of what makes North Vancouver special. Thank you all.

Message from Kathleen Whyte, Board Chair

At last year's AGM we said good-bye to several board members including Anne-Marie Lawrence who served both as our secretary for many years but also as our 'resident expert' on the history of North Van Arts. Anne-Marie completed her maximum of 7 years on the Board of North Van Arts and we wished her all the best in her retirement.

We also said good-bye to Katie Rogers, our Board Treasurer. Katie occupied a special place on the Board as, along with her financial acumen, she was also an artist and was able to bring both her technical skills and her artist perspective to the Board.

We also said good-bye to Sara Pedlow and Danielle Segur and we thanked them for their contributions.

We welcomed four new Board members: Francie Deveau, Anne Miller, Lorna Moffat, and Nicole Young. They are all great assets to our team, and we look forward to working with them in the years ahead.

The Board continues its role of providing governance and support to Anna and team at North Van Arts. We continue to look at new ways to raise funds as government funding for the arts continues to shrink. We continue to offer oversight and guidance to ensure that North Van Arts will be able to serve both artists and the community for many years.

I want to thank our members of North Van Arts for their on-going support, as well as our funders and donors, the staff, the Board of Directors and our volunteers. Together we can continue to maintain a strong and vibrant presence for the arts in our community.

ART RENTAL

The Art Rental Program promotes the appreciation of 2D visual arts in our community by making the work of local artists available for display in homes, offices, and film and television production sets.

This past year the collection featured 403 original works by 155 artists in a wide variety of styles and subjects. Artworks for rent and sale include paintings, photography, and mixed media with pieces ranging in size from 8" x 10" to 48" x 48".

Established in 1972, the collection is kept fresh with new works added in each year through an adjudication process. The artworks are viewable online and are displayed in the Art Rental Salon located at the back of CityScape Gallery, where they are available to visitors year-round. Highlights of new work are showcased in a salon-style exhibition in CityScape Gallery in March.

This free, family friendly event, featured a wide range of multicultural performances in theatre, music and dance across one weekend, and included the debut of a 20-minute play, written, produced and performed specifically for Trolley Days by theatre devisers Ashley Chodat and Kelsey Ranshaw, called "The Tracks Home".

Beyond the performances, this event included heritage-style Trolley tours around the North Shore with historical guides.

- 5 Indigenous performance groups
- 26 Volunteers who donated over 91 volunteer hours
